

JOÃO FILIPE BARROS

B2B Sales | Account Management | AI & Technology

Dublin, Ireland | +353 83 177 9131 | joao.barros.ie@gmail.com | linkedin.com/in/joaofilipebarros

PROFILE

B2B commercial and account management professional with 6+ years of experience across technology, AI operations, digital growth and international customer environments. Experienced across full-cycle sales, account growth, customer acquisition and retention, with a track record of translating customer needs into commercial outcomes.

Currently managing 50+ B2B accounts and building pipeline across international markets. Previously worked in AI operations at Meta, training and evaluating LLMs in a high-volume technology environment. This combination of commercial execution and hands-on AI exposure is particularly relevant to technology businesses helping teams adopt AI and automation safely at scale.

EMPLOYMENT HISTORY

B2B Account Manager | Sales Specialist | Lab Unlimited

Dublin, Ireland · Jul 2026 — Present

Managing B2B customers across international markets with a focus on business development, account management and commercial growth.

- Acquired 26 new commercial accounts across EMEA, LATAM, North America and APAC.
- Manage the full B2B sales cycle: prospecting, discovery, qualification, solution positioning and negotiation.
- Manage a portfolio of 50+ SMB, enterprise and institutional accounts.
- Built £950K in pipeline through new business, upselling and cross-selling opportunities.
- Identify customer requirements and match them with appropriate technical products and solutions.
- Negotiate pricing and lead times with suppliers to support commercially viable customer proposals.

AI Operations Analyst | Meta (via Covalen)

Dublin, Ireland · May 2024 — Jun 2026

Worked within a large-scale technology environment supporting artificial intelligence operations and quality evaluation.

- Trained and evaluated Large Language Models (LLMs) through structured evaluation and quality processes.
- Achieved 100% QA accuracy for approximately 18 months and maintained a 97% average QA score.
- Received 3 Top Performer awards for consistent performance.
- Applied analytical judgement to complex, high-volume cases where accuracy and consistency were critical.
- Worked within technology-driven workflows and structured decision-making processes.

Sales & Growth Manager | Grupo Kanpai

Porto, Portugal · Jul 2022 — Aug 2023

Led commercial growth and customer acquisition within a multi-brand hospitality group with approximately €2M annual revenue and 100+ employees.

- Increased daily coffee-business revenue from €3K to approximately €7.1K.
- Increased repeat visitors by 32% through customer-journey improvements.
- Increased Uber Eats sales by 13% in four months.
- Improved Google Reviews from 3.1 to 4.4 in three months.
- Negotiated with external platforms and partners to improve commercial performance.

E-commerce Sales Manager | Companhia Europeia de Desinfecções

Porto, Portugal · Jul 2020 — Jan 2022

Responsible for commercial development of a B2C e-commerce operation within a Portuguese B2B company.

- Developed and launched the company's Google Ads acquisition strategy.
- Increased e-commerce revenue from €250K to €650K in seven months.
- Increased customer lifetime value by 25% through stronger retention across the annual B2B contract-renewal portfolio.
- Increased cash flow by 40% in three months by aligning purchasing with demand and reducing slow-moving stock.

Sales Executive | TIBA Portugal

Porto, Portugal · Feb 2019 — Aug 2019

Business development and account management for an international freight-forwarding and customs services provider.

- Generated €20K+ in new business across SMB accounts.
- Managed customers across Portugal, the US and African markets.
- Managed pipeline visibility and forecasting using Salesforce.
- Worked against a €300K six-month commercial target.
